### Driver requirements

A current and full motor vehicle driver licence is required to be shown at pick-up and all drivers need to be present. If the driver licence is not in English then we require an accredited English translation or an International Driver Permit. We do not accept Digital Driver licences.

Mighty Campers (Highball and Double Down), Cheapa Campa (Hitop and Endeavour) and Hippie (Hitop and Endeavour) drivers must be 18 years of age or over with a full driver licence or hold a restricted licence or equivalent.

For all other RV types drivers must be 21 years of age or over, have held an unrestricted licence for at least two years and the licence must be valid for the entire booking duration.

It is important to select the correct country in which the driver licence was issued to ensure correct rates are calculated. If the hirer presents a driver licence that is from a different country to which the booking was created the guest may incur additional charges.

### Deposit/credit card

The bond/deposit is fully refundable when the vehicle is returned to the correct location on time, is full of fuel and all other terms of the Rental Contract have been complied with. If there is damage to the vehicle on its return, the deposit will be used to cover the cost of such damage up to the amount of the relevant Liability. However, if the terms of the Rental Contract are breached and the deposit is insufficient to cover the damage then any extra cost will be charged. Refunds by credit card including bond refunds can take up to 14 working days depending on renter's Financial Institution.

### Liability Options

Guests can choose between the following liability options:

- 'The Low Road' - our most basic level of liability cover.
- 'The High Road' - our highest liability cover giving the most peace of mind.

The amount payable for each Liability Option is based on the number of days of hire for the minimum rental period applicable for each RV or total days of the RV booking. The maximum charge for Liability Options is 50 days per rental segment.

Damage Liability

If the guest chooses to take 'The Low Road', they will be responsible to pay for damage to the RV, where they are at fault. The liability amount, which varies by RV type, applies per claim. This is applicable regardless of if the guest has purchased private travel insurance.

If the guest chooses to take 'The High Road' their liability for damage will be zero (subject to exclusions). However, the guest will be responsible for the total costs of any damage, and 'The High Road' and the 'Value Pack' (if taken) will be void if:

- the guest breaches any of the Rental Agreement Terms and Conditions terms and that breach is the cause of or contributes to the relevant damage.
- the damage is covered by any of the exclusions in the 'Other Things You Need to Know' section set out below.

Visa, Mastercard, American Express, Diners club and Union Pay are accepted, supplier does charge fees of 3.05% to 5.20% (fees are subject to change and depending on the type of card).

### Changes

If you wish to make any changes to your booking the updated booking will be calculated by using either the original flex rate or the flex rate that is valid at the time of the booking change, depending on whichever rate is higher. There are no exceptions to this rule. The following situations are classified as booking alterations:

- Change of date for vehicle pick-up or drop-off
- Change of location (depot) for vehicle pick-up or drop-off
- Change of vehicle category
- Name change

If you decide to extend your rental duration (changing the drop-off date) by 2 days the same flex rate is used that applied on the day when you made your original booking. If you extend by 3 days or more, the booking change rule applies as outlined above. If an amendment is made to the rental dates within 14 days of collection, no refund will be made if the length of hire is shortened (that is; the rental will be charged at the number of days originally booked). There is no refund for late pickup or early return of vehicle. A relocation fee may apply if the collection or return location is amended within 14 days of vehicle pick-up or if notification occurs during the hire.

If your guest is having so much fun that they want to extend their booking whilst on the road, they should first contact our friendly Reservations crew who will be happy to advise if the extension is possible, and the associated costs. To secure an extension, the extra costs (calculated on the current rate of the day), will need to be paid by credit card inclusive of all taxes and surcharges, either over the phone or at a thl Branch at the time of extension. Any long-term discounts in place will continue to apply to the booking.

We will always do our best to accommodate any extensions, subject to vehicle availability.

### Vehicle size

Our RVs can be requested by category, not by make or model. We always do our best to accommodate requests, however thl reserves the right to substitute the booked RV with an alternative available RV without prior notification and at no extra cost. Any changes made to the booked RV and agreed to by the guest shall not constitute a breach of contract and does not entitle the guest to a refund.

### Breakdown assistance and repair reimbursement

We understand that while on holiday the RV may require small repairs. To avoid further disruptions to the road trip, if the damage was not caused by the guest, repairs up to \$100.00 can be completed

without authorisation and will be reimbursed upon presentation of receipts. If repairs over \$100.00 are needed, the On-Road Assist team should be informed prior to any repair being completed. Unauthorised repairs are not permitted.

All RVs are covered by the New Zealand Automobile Association and 24hr mechanical emergency roadside assistance is available if needed please contact On-Road Assist on 0800 788 558 or +64 9 801 3857.

### Travel restrictions

Not all RVs are suitable for all driving situations, so it's important the right RV is chosen for the travel planned. thl, at its discretion, may restrict RV travel in certain areas due to adverse road or weather conditions, and the distance to nominated destinations in relation to the length of the rental period. If applicable, any further restrictions will be mentioned at pick-up. Guests are encouraged to contact On- Road Assist on 0800 788 558 or +64 9 801 3857 if they have any concerns regarding road accessibility.

For the safety of guests, the following travel restrictions are in place:

- All RVs can only be driven on sealed/bitumen roads. The only exception to this is the loose road surface on any major ski field access roads or any recognised campground access road less than 12 kilometres in length.
- No RV shall be driven on all ski field access roads from 01 June to 31 October, Skippers Road (Queenstown), the Crown Range Road/Cardrona Valley Road, Ninety Mile Beach (Northland), Wanaka – Mt Aspiring Road beyond exit to Treble Cone, Ball Hut Road (Mt. Cook) and North of Colville and Waikawau Township (Coromandel Peninsula).

Guests who travel to restricted areas without permission will void all Liability Cover in the event of damage or accident and may be subject to a penalty fee of \$300.00 charged on each occasion identified.

### **Road User Charge Recovery Fee**

The cost of using New Zealand's roads is recovered from road users via levies in the price of some fuels or through road user charges (RUC). The Road User Charge Recovery Fee will be calculated and collected on return of the RV based on the kilometres travelled during the hire. The fee per 100km is as follows:

- 4 Berth and 6 berth toilet & shower: \$8.04
- All other vehicles (excluding Hippie): \$7.64
- RUC will not apply to any Hippie rentals.

We reserve the right to amend the Road User Charge Recovery Fee upon Government intervention without notice.

### Ferry Reservations

Ferry travel is required for guests moving between NZ's North and South Islands (and vice versa). Ferry reservations can be difficult to manage during high season. We recommend that a reservation is made for a 7.7m RV on the ferry, irrespective as to the size of the motorhome reserved.

### Parking/Traffic Violations

In the case that a guest incurs a fine or infringement during their road trip, *thl* will provide the guests details to the issuing authority. The issuing authority will then re-issue the infringement notice directly to the guest. *thl* will apply an administration fee of \$35 per infringement notice to cover *thl*'s associated administrative costs.

In New Zealand, guests have the option to pay tolls directly to the New Zealand Transport Agency via their website or in some cases, via a toll kiosk and we strongly encourage guests to do that. In the instance that a guest has not paid a toll and *thl* receives a toll notice, we will pass on any toll charges. An administration fee of \$35 per toll charge will apply to cover *thl*'s associated administrative costs.

In all cases, guests will receive email advice that a toll or infringement notice has been received and a subsequent email notification to confirm that a charge has been processed.

### Pets and animals

We believe fur friends can only make a road trip better. There is a \$315.00 pet fee (excluding service animals). Our full policy can be viewed on the *thl* website. Service dogs are permitted in all vehicles. If a vehicle is returned soiled by a pet *thl* reserves the right to charge an extra cleaning fee. Our full policy can be viewed on the *thl* website.

### Smoking

Our RVs are a smoke free and drug free zone; hence smoking or drugs are not permitted in any of our RVs.
