The driver must be in possession of a valid identity card or passport. Please note that some of the Rental Firm's vehicles have a total weight of more than 3.5 tons and that to drive these vehicles an appropriate driving license is required. Those in possession of a Class B driving license must consult the Rental Firm about the engine size and the technically permissible total weight of the vehicle rented. If, upon renting, a respective driving license cannot be presented, the motorhome shall be regarded as not collected. In such case, there shall apply the respective terms of cancellation. A digital drivers license is not allowed.

### **International driving licenses in Europe**

Please be aware that all drivers need to present one of the following driving licenses at Pick-Up at a rental location in Europe:

- Local driving license (issued in the country of Pick-Up)
- EU driving license (issued in a member state of the EU or the European Economic Area)
- International driving license together with the original local driving license

The original documents need to be presented. A copy is insufficient.

### Deposit/credit card

Upon collection of the vehicle, the driver needs to present a valid credit card (not digital) in the driver's name. This will be used for the security deposit. The Rental Firm will reimburse the security deposit after the final rental account has been settled, as long as the vehicle is returned as required. Any charges incurred in addition to the hire charge paid in advance by the Hirer will be deducted from the security deposit when the vehicle is returned.

The motorhome is covered by a statutory motor vehicle third-party liability insurance with an insurance cover (varies by country). The liability for New Zealand is NZD 7.500

The excess is set off against the security deposit. Any damage not covered by the insurance, such as for example damage caused by alcohol- or narcotics-related unfitness to drive, by leaving the vehicle to an unauthorized driver, etc., are completely at the Hirer's expense. Any damage to the interior and/or the inventory is not covered by the insurance either so that respective costs of repair or replacement must be completely borne by the Hirer. The Rental Firm is not liable for any damage, whether direct or indirect, caused by acts of the Hirer.
