Driver requirements

A current and full motor vehicle driver licence is required to be shown at pick-up and all drivers need to be present. If the driver licence is not in English then we require an accredited English translation or an International Driver Permit. We do not accept Digital Driver licences.

Mighty Campers (Highball and Double Down), Cheapa Campa (Hitop and Endeavour) and Hippie (Hitop and Endeavour) drivers must be 18 years of age or over with a full driver licence or hold a restricted licence or equivalent.

For all other RV types drivers must be 21 years of age or over, have held an unrestricted licence for at least two years and the licence must be valid for the entire booking duration.

It is important to select the correct country in which the driver licence was issued to ensure correct rates are calculated. If the hirer presents a driver licence that is from a different country to which the booking was created the guest may incur additional charges.

Deposit/credit card

The bond/deposit is fully refundable when the vehicle is returned to the correct location on time, is full of fuel and all other terms of the Rental Contract have been complied with. If there is damage to the vehicle on its return, the deposit will be used to cover the cost of such damage up to the amount of the relevant Liability. However, if the terms of the Rental Contract are breached and the deposit is insufficient to cover the damage than any extra cost will be charged. Refunds by credit card including bond refunds can take up to 14 working days depending on renter's Financial Institution.

Liability Options

Guests can choose between the following liability options:

- 'The Low Road' - our most basic level of liability cover.
- 'The High Road' - our highest liability cover giving the most peace of mind.

The amount payable for each Liability Option is based on the number of days of hire for the minimum rental period applicable for each RV or total days of the RV booking. The maximum charge for Liability Options is 50 days per rental segment.

Changes

If you wish to make any changes to your booking, the booking will be calculated by using either the original flex rate or the flex rate that is valid at the time of the booking change, depending on whichever rate is higher. There are no exceptions to this rule. The following situations are classified as booking alterations:

- Change of date for vehicle pick-up or drop-off
- Change of location (depot) for vehicle pick-up or drop-off
- Change of vehicle category
- Name change

If an amendment is made to the rental dates within 14 days of collection, no refund will be made if the length of hire is shortened (that is; the rental will be charged at the number of days originally booked). A relocation fee may apply if the collection or return location is amended within 14 days of vehicle pick-up or if notification occurs during the hire.

If your guest is having so much fun that they want to extend their booking whilst on the road, they should first contact our friendly Reservations crew who will be happy to advise if the extension is possible, and the associated costs. To secure an extension, the extra costs (calculated on the current rate of the day), will need to be paid by credit card inclusive of all taxes and surcharges, either over the phone or at a thl Branch at the time of extension. Any long-term discounts in place will continue to apply to the booking. We will always do our best to accommodate any extensions, subject to vehicle availability.

Transfers

Branches are located near major airports, making pick-up and drop-off easy for our guests. Guests can arrange transport to and from the airport via taxi or rideshare at their own cost.

Picking up the vehicle

Pick up should be Monday-Saturdays between opening hours 9am – 3:30pm. Our Broome and Darwin branches are closed during the wet season (20 December to 31 March). During this time roads are muddy and hard to navigate and for safety reasons, we strongly recommend that guests avoid travelling to the top end of Australia during this time. Online Check-In It is mandatory for guests to complete Apollo's online check-in no less than 14 days prior to pick up at: <https://sci.thlonline.com/>

Dropping off the vehicle

Drop off should be between opening hours 8am – 4pm. Our Broome and Darwin branches are closed during the wet season (20 December to 31 March). During this time roads are muddy and hard to navigate and for safety reasons, we strongly recommend that guests avoid travelling to the top end of Australia during this time.

If the renter wishes to change the drop-off destination after the rental has commenced, they first must obtain authorization from the Apollo Head Office. Subject to the change being approved, a minimum additional charge of \$750 will apply.

There is no refund for early drop off.

The RV is a home away from home and for comfort, we recommend it's kept tidy throughout the road trip. The RV needs to be returned to the branch as was taken, with the interior cleaned and toilet cassette (where applicable) and holding tanks emptied. The RV exterior does not require cleaning unless it's covered with excessive dirt or mud, making it difficult for our team to see its return condition. The Cleaning Pack is available to be pre-purchased or added on pick-up to offer quick and easy return.

Vehicle size

Our RVs can be requested by category, not by make or model. We always do our best to accommodate requests, however thl reserves the right to substitute the booked RV with an alternative available RV without prior notification and at no extra cost. Any changes made to the booked RV and agreed to by the guest shall not constitute a breach of contract and does not entitle the guest to a refund.

Breakdown assistance and repair reimbursement

We understand that while on holiday the RV may require small repairs. To avoid further disruptions to the road trip, if the damage was not caused by the guest, repairs up to \$100.00 can be completed without authorisation and will be reimbursed upon presentation of receipts. If repairs over \$100.00 are needed, the On-Road Assist team should be informed prior to any repair being completed. Unauthorised repairs are not permitted.

All RVs are covered by Australian Automobile Association and 24hr mechanical emergency roadside assistance is available if needed. Please contact On-Road Assist on 1300 850 805 or +61 3 8398 8880 or by email onroadau@thlonline.com.

Travel restrictions

Not all RVs are suitable for all driving situations, so it's important the right RV is chosen for the travel planned. thl, at its discretion, may restrict RV travel in certain areas due to adverse road or weather conditions, and the distance to nominated destinations in relation to the length of the rental period. If applicable, any further restrictions will be mentioned at pick-up. Guests are encouraged to contact On- Road Assist on 1300 850 805 or +61 3 8398 8880 if they have any concerns regarding road accessibility.
