It is expressly pointed out that certain of the lessor's vehicles have a gross weight of more than 3.5 tonnes, and that driving these vehicles requires an appropriate driving licence. To make certain, holders of a Class B driving licence shall consult the lessor about the technically permissible gross weight of the vehicle rented by the lessee.

Deposit/credit card

The lessee shall pay the lessor a security deposit of €1,500.00. The security deposit shall be paid by EC card, MasterCard or Visa Card on collection of the vehicle at the latest. Payment of the security deposit with a credit-based pre-paid credit card or in cash is not possible.

There is no legal right to a change in the booking or in the data.

Picking up/dropping of the vehicle

The motor home is delivered in a clean condition, with a full tank and equipped according to the inventory list submitted and must be returned in the same condition. If the tank of the vehicle should not have been filled up, we charge the petrol costs as well as cost of work (€25). Any missing or defect items of the inventory list will be invoiced to you. Any possible retention will be set off against the security deposit. The pick up time is between 4-6pm, and drop off time is between 9.30-11am

Breakdown assistance and repair reimbursement

Repairs which become necessary to ensure the vehicle's operating and road safety may be commissioned by the lessee up to a price of €150.00 without consultation; more extensive repairs may only be commissioned subject to the lessor's approval.

If the lessee ascertains a defect on the vehicle and omits to perform a repair which is required, the lessee shall nevertheless immediately notify the lessor of the defect and grant a reasonable period for the repair. The lessor shall not be held accountable for country-specific circumstances (e.g. infrastructure) which delay the repair.
