Picking up the vehicle

At pick up the person under which the reservation had been made must be present with the physical credit card showing his/her name and, if he/she wants to drive, also with the original driver's license.

If he/she is not driving we need another government document to confirm the identity. We accept the original driver's license in English, Dutch, German, Spanish, Portuguese, French, or Italian. If the driver's license is in any language other than the above an international driver's license or an official English translation must be presented at pick-up alongside the original. We have the right, and legal obligation, to deny a renter the motorhome when the renter seems not capable to drive a motorhome, e.g. intoxicated, suspicion to be under drug influence, etc. To avoid waiting times, the pre check in is compulsory and has to be completed at least 14 days prior to pick up.

Vehicles cannot be picked up on the day of arrival. Overseas customers are recommended to spend the first night at an airport hotel. Vehicle pick-up time is between 12.30 pm and 4 pm - Monday to Friday and on Saturdays customers need to call for appointment time (generally between 12.00 - 13.00 hours). Staff speaks German & English at all locations - Dutch, French & Spanish at some locations. After completing the paperwork the clients get a very thorough personal walk-thru of the motorhome. In addition every vehicle is equipped with an operation manual in English/German. In case of an emergency, accident or technical problems, clients may call 24-hours a day, 7 days a week the emergency toll free number which is printed on the keychain.

Unauthorized late returns after 11 AM will be charged \$50 per hour. Unauthorized extensions will be charged double the applicable nightly rental rate.

Should the customer not return the vehicle at the branch which was agreed in writing, for example on the rental agreement, we will charge the customer for transferring the motorhome to the branch agreed in writing.
