Deposit/credit card

If the customer chooses the Risk Taker option, we pre-authorise the bond amount based on the chosen vehicle type. Bond is held as an authorisation on the valid AMEX Credit and VISA/MASTERCARD credit/debit card with the customer's name on it at the pick-up. The bond will be released at the end of the hire by JUCY/ Star (subject to no damage or claims) and may take 5 to 30 working days to reflect on their credit/debit card.

If there is damage to the campervan on its return or any other terms of the rental contract have not been met, the bond will be used to cover the cost up to the relevant liability. Any extra costs will be charged if the rental contract terms are breached, and the bond is insufficient to cover the damage.

The hirer is liable for all costs associated in replacing keys which have been lost, broken or damaged and/or the cost of retrieval of keys which have been locked inside a vehicle. Please note a replacement key could be up to \$1000 plus associated costs to the event.

Travel restrictions

Star Motorhomes can only be driven on sealed roads. The only exception is the loose road surface on any major ski field access roads or any recognized campground access road less than 12 kilometers in length.

In New Zealand, Star Motorhomes cannot be driven on Skippers Road (Queenstown), The Crown Range Road/Cardrona Valley Road (between Arrow Junction to Cardrona), Ninety Mile Beach (Northland), Wanaka – Mt Aspiring Road beyond the exit to Treble Cone, The Forgotten Highway (State Highway 43 from Taumarunui to Stratford), and North of Colville and Waikawau Township (Coromandel Peninsula).

Road user charges (RUC) apply to diesel vehicles and go toward the upkeep of New Zealand's roads. This charge currently applies to bookings made for the Star Motorhomes.

The formula to calculate the RUC charges is based on the kilometres travelled during a hire.

Star calculates this by the vehicle's recorded KMs upon collection and the recorded KMs when the vehicle is returned and charges it directly to the customer's debit/credit card registered against their booking. The formula used is $KMS - KMS OUT \times 0.08$ cents.

Parking/Traffic Violations

Customers are responsible for paying all parking citations, fines and other fees/penalties associated with their hire. There will be a \$60 claims administration fee for all infringements processed by Star.

If the customer travels on a toll road and incurs any tolls, JUCY/Star will charge any tolls and fees to the customer's nominated credit card along with a service fee of \$3.45 each time the vehicle incurs a toll during the hire.

Pets and animals

A pet dog is allowed in campers at an additional charge of \$299. A cleaning fee of up to \$299 for general cleaning and up to \$500 for greywater/toilet cleaning may apply.
